WORK EXPERIENCE

Front-end developer

Fastech System • Feb-2023 - March-2024 • 1 year

Built user-friendly web apps

- Created websites that work well on different devices and browsers
- Used modern tools like React.js and Nextjs to make interactive pages
- Worked with teams using Git to manage code efficiently
- Added dynamic content using RESTful APIs

Collaborated with designers

- Worked with UI/UX designers to turn design ideas into functional code

Stayed up-to-date with industry trends

- Continuously learn new technologies and trends in frontend development

Front-end developer - Intern

Fastech System • Jan-2023 - Feb-2023

Learned React.js and improved web development skills

- Got good at using React.js to create interactive web pages
- Worked with team members on GitHub using Git to manage code
- Made sure web pages look good on different devices and screen sizes
- Quickly learned new technologies like React and Next.js to improve development skills
